DECLARATION AND POWER OF ATTORNEY

DECLARATION:

As the below-named sole inventor, I declare:

that my residence, citizenship and post office address are as stated below next to my name;

that I believe I am an original, first and sole inventor of the subject matter that is claimed and for which a patent is sought on the invention or design entitled *System and Method for Synchronizing a Parking Meter Clock*;

that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above;

that the subject matter of the specification and claims attached hereto was part of my invention and was invented before the filing date of any applications listed herein for which a claim for priority is made herein;

that I acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability as defined in 37 C.F.R. § 1.56; and

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

POWER OF ATTORNEY:

I hereby appoint practitioners at Customer Number 24347, all of the firm of Hunton & Williams, as my attorneys with full power of substitution and revocation, to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith, and to file and prosecute any international or foreign patent applications filed thereon before any international or foreign authorities.
